*Some restrictions apply. Some TV networks have not made their programs available on all devices. Check your cellular data plan before you start watching. Customer is responsible for all mobile charges in excess of your data allowances.

watch TV everywhere registration

1. Call our office to verify that the information matches how your account has been setup including last name/first initial & account number, which is different than your FMCTC account number.
2. Go to www.wtve.net
3. 'Select your tv provider' from the pull down menu - FMCTC.

4. Click 'Register' from menu buttons
5. Enter 'Account Number' given to you.
6. Enter 'Last Name & First Initial' of primary account holder as shown on the bill, with a space in between.
7. Enter 'New User Information'. This information is unique to this website and does not have to match your bill.
8. Click 'Register', then 'Create Account'.
9. You will receive an email, to the address you registered under, from Watch TV Everywhere, which will include an activation link. Click on the link to complete the registration process.

10. Use this website as a way to access several popular TV networks from your mobile or Internet-connected devices. When you click on a network, you will see the programs available to watch.

If you have additional questions, do not hesitate to contact us.
